Exam Compliant Loan Brokers (as of 7.17.08)

This document provides a list of the loan brokers licensed to do business in Indiana who have established a Principal Manager who has taken and passed the Principal Manager Assessment. It does not necessarily indicate full compliance with Indiana House Enrolled Act 1717.

Also note, there are some loan brokers who are currently exempt from this law. Examples of these are some loan brokers who provide Veterans Administration (VA) loans or other loans through Federal programs. These companies are allowed to operate as a loan broker in Indiana without a Principal Manager until January 1, 2009.
